COMMENTS:

Please take the above as constructive criticism, as that's how it's intended. We've tried to take into account the time of day and type of music in our comments. We've also tried to say everything that should be said without getting "picky". If you'd like your tape back to hear what we're refering to, leave a note for Hugh or Doug. Thanks a lot.

Some suggestions for 1985 Winter Carnival coverage.

1. Use AT&T calling card rather than collect

2. Research possibilities of computer hookup w/ modem.

3. Have several meetings prior to coverage with staff of coverage to determine time, length and content of reports

4. Gather pertinent information from previous carnivals both at Middlebury and elsewhere.

5. ~~Send~~ Contact Winter Carnival computer Team and furnish them with name's phone # and instructions to call collect if they have anything to tell us.

Dear DJ's-

Hi and welcome back to Midd. Due to the large number of DJ's requesting limited airtime (18 hrs/day instead of 24), your choice for a winter term time slot could not be met. However, there are still several time slots available. If you are interested in any of these time slots, return this form to Drawer 29 -NOW-. Ineed these forms by Wednesday afternoon. If none of these time slots meet your schedule, I hope to see you spring term. Please indicate your choices (1st, 2nd, etc.)

Thanks,
John Davis

The 1984 Winter Carnival continues with the 2nd run of the Men's giant slalom scheduled to start at 2:30. The women's second run is in progress right now.

Tomorrow will have coverage of both men's and women's slalom events from Pico Peak, as well as the men's 5 kilometer relay and the women's 7.5 kilometer relay.

Coming up in about an hour, we'll have more carnival coverage from Josh Weil, George Leonard and Matt Bury.

At WRMC, home of the Panther Sports network, I'm Hugh Montgomery.

Stay tuned for more music with comrade Pavsky ~~and~~ on Radio Moscow.

From the WRMC studios, I'm Hugh Montgomery with an update on Middlebury College's 53rd Winter Carnival.

Friday #2 (cont)

Thank you George and Josh

They have had computer troubles over at Lake Placid and thus have been a little late at getting results to us here at the studios but we have team standings for both men and women in Nordic individuals

UNH tops the men's field ~~with~~ and fine performances from the Panther men has put Middlebury in 2nd place: Mike Graham finished 5th Dave Speidel 9th and Mark Larsen 10th.

A strong Dartmouth team pulled 1st place followed by the UNH Catamounts and in 3rd place, the Middlebury Panther women with a third place finish from sophmore Wendy Reeves.

FRIDAY / #1

- With exclusive WCAX coverage of Carnival events, I'm Hugh Minifie

Today is the first day of Middlebury College's Winter Carnival events, normally quite a festive occasion for the college and local community as they celebrate the sport of skiing, both nordic and alpine.

The weather has not cooperated with the event much this year. 50° temperatures locally translate only slightly lower at Bradley touring center and Middlebury College's Snow Bowl, the normal locations for the competition. Because of nature's temper, the Carnival events have been shifted to 2 more distant locations. The alpine or downhill races are being held today and tomorrow at Pico Peak, while the nordic or cross country competition is across ~~the~~ ~~lake~~ Lake Champlain at the site of the 1980 Winter Olympics, Lake Placid.

WRMC's Carnival coverage team is in the field ~~with this report~~. George Leonard spoke with Leslie Baker several minutes ago about the ~~conditions~~ course ~~of the course~~ for the women's giant slalom

Thanks Josh. [redacted] Nordic ~~events~~ results have yet to be tabulated but both men's and women's individuals are being held today.

That's it for the moment. We'll have another WRMC Carnival update next hour at 1:30. I'm Hugh Montgomery in the WRMC studios. Stay tuned for more music with Comrade Beasley on Radio Moscow.

Mens Slalom 2nd run.

Miles Dethamps (Dart) 74.73
George Macomber (Dart) 74.54
Andrew Stag (UVM) 75.85
Craig Voelker (SCU) 76.02

Rich Rahin 76.69

Good afternoon. This is George Leonard and Josh Weil covering the Mens Slalom here at Pico Peak. Almost all the racers have finished their second and last run. Unofficially, George Macomber of Dartmouth has taken first place with a ~~total~~ combined time of 74.54. Miles Dethamps, also from Dartmouth, took 2nd place with a time of 74.73. The University of Vermont captured

3rd place with Andrew Shay's run. Of the Middlebury College racers, Rick Martin finished with a time of 76.09 which will probably place him in the top 5.

As the carnival winds down team placing are shaping up. For the women, with all events except the cross country 3 x 5 relay included, the University of Vermont holds a strong lead with 258 total points. Dartmouth is in second with 253 points and Middlebury is Third with 260 points. Keeping in mind that Dartmouth beat UVM in the individual cross country races yesterday, a victory by the Green 3x5 ~~relay at Lake Placid~~ relay team in Lake Placid would probably boost Dartmouth to a carnival victory

Meanwhile, The men have completed 2 of the 4 events, and Dartmouth holds a small lead over Middlebury 190 to 186. The University of Vermont is third with 181 team points. Dartmouth's strong slaloming effort combined with Middlebury's problems in the ~~slalom~~ some event will probably be enough to hold the lead over the Panthers, even if Middlebury does place ahead of Dartmouth in the 3x5 relay - which they did in yesterdays nordic events.

This is our last report from Pico Peak. WRMC will keep you informed as final results become official and ~~final results~~ are tabulated For the 1984 Middlebury College winter Carnival, this has been George Leonard and Josh Weil

Good Morning, ~~once again~~ This is a Middlebury college winter carnival update. I'm Josh Weil along with George Leonard at Pico Peak.

With the cross country and Giant slalom runs completed yesterday, The carnival events end today with the slalom runs being held here at Pico and the cross country relay being held at Lake Placid, New York.

The original schedule for the day called for the women's first run ~~both~~ of the slalom to be run at 9:00 followed by the men's first run and the second runs to be held This afternoon. However after a request by some of the Middlebury skiers, the coaches agreed to have both of the women's ~~are taking both~~ runs this morning and the men's ~~both of theirs~~ this afternoon, thus avoiding a long wait between runs

The second run of the women's slalom is just underway and after the first run Middlebury has two of the top 5 clockings. Leslie Baker, yesterday's second place finisher in the Giant slalom, turned in a 43.12 timing for the Panthers, good for 3rd place after the 1st run. Nancy Locke of Middlebury is in 4th. The women need a very strong performance today to try and move up in the standings. The Middlebury women ~~finish~~ finished 3rd in both of yesterdays events, good for third place overall with 171 points. They ~~Panther women~~ trail Dartmouth by 24 points and leader UVM by 30 points.

Meanwhile, ~~while~~ an overall 2nd place finish by The Middlebury Men in ~~the~~ yesterdays cross country race and thier Third in the Giant slalom leaves them 2nd, only 4 points behind behind UNH of New Hamp

Dartmouth's 190 point total. The men hope to make up the slim margin in today's slalom and cross country relay races

It's coming down to a very exciting finish for the '84 carnival, with some excellent perfomences by Middlebury skiers

TO keep update on the carnival results, stay tuned to your Panther sports station 91.7 WRMC FM Middlebury

Well George Although none of the nordic results are available yet, The University of Vermont is looking Tough to beat. With a 1st, 3rd and 5th in the womens Giant slalom, the UVM women haved staked out an Early lead. The men's race appears a little closer, although Dartmouth with a second and third place is looking strong.

Tommorow the skiing will continue with the womens slalom starting things off ~~de~~ here at Pico Peak at 9a.m. The men's slalom will follow. Meanwhile, in Lake Placid, New York, Nordic events will continue with both the men's and the women's 3 X 5 relay.

This is Josh Weil with George Leonard at Pico Peak Ski Mountain where the first day of Alpine skiing is almost over. Overcast skies have prevailed throughout the day along with temperitures in the 40's. The warm weather has made for ~~wet~~ wet but hard snow and overall exciting skiing. With the womens Giant slalom completed, the Middlebury ~~women~~ men and women have had some very strong performences. Leslie Baker of Middlebury ~~beat~~ gained 1/100 of a second on front runner Amy Bergstrom of the University of Vermont. Unfortuneatley she still finished 3/100 of a second behind Bergstroms 102.90 ~~timing~~ timing for two runs. Jenifer Kennedy, also of UVM was third. George Leonard spoke with Middlebury coach Mike

~~the womens slalom competition 89-85~~

This is Josh Weil and George Leonard at Pico Peak where the Middlebury Men's ski team's hopes have suffered a ~~harsh~~ serious blow. 3 of the mens five skiers fell during their first slalom run. Although all five skiers finished the course, in a sport where races and places are often won by only a few hundreths of a second, the time lost in a fall can set a skier hopelessly back.

Middlebury's top finisher in the first run was Rick Makin whose time of 38.43 ~~was~~ is good for 6th place going into the second run. The fastest Time for the men was turned in by George Macomber of Dartmouth who completed the course in 37.45. Macomber was followed by Miles Dechamp also of Dartmouth. What makes Middlebury's situation even tougher is Dartmouth's high placers. Middlebury's ~~Men~~ Men trailed

Dartmouth by a mere four points at the beggining of the day. All hope is not lost, however. The sun is out and has softened the snow and, just as Middlebury's skiers have had their troubles, Dartmouth may suffer in the second run. Furthermore, no results from the Nordic events are in yet. Middlebury had very strong performences in yesterdays cross country events.

One very positive note for the Middlebury sk. team today, Leslie Baker became Eastern slalom Champion by winning the slalom race. Baker was second in yesterdays Giant slalom and seems to be peaking just in time for the nationals which take place in two weeks in New Hampshire. Bakers finish along with Nancy Locke's 6th and Nickie Biddles 16th helped the women edge Dartmouth by a point in

This is George Leonard and Josh Weil at Pico Peak where Leslie Baker has just become Eastern slalom Champion by winning the Middlebury Winter Carnival slalom race

The snow that was expected to fall here last night didn't but that didn't stop Leslie Baker from becoming Eastern slalom Champion Today. This is George Leonard and Josh Weil at Pico Peak. covering the 53rd Middlebury Winter Carnival Alpine Events — TAPE —

After the first run Baker of Middlebury college was in third place, 13/100 of a second behind Sarah Millham of Dartmouth college. But Barker blew by Millham in the second run and wound up winning with a combined time of 83.93 seconds. Her two run total was ~~[illegible]~~ almost a second in front of Millham, her closest competitor. This margin is huge by skiing standards. Bakers ~~[illegible]~~ cause was aided when

Nancy Gustafson of UNH, who had been in second place, was injured during her second run. Preliminary reports indicate the injury is not serious.

Bakers Teammate, Nancy Locke finished sixth with a time of 85.68

The men's slalom will begin shortly. We'll be back with results as we get them. For Josh Weil this is George Leonard on your Panther Sports Station, 91.7 WRMC FM
